No. 1:20-CR-9

STATEMENT OF FACTS

The United States and Christopher Kitchen ("the Defendant") agree that the following facts are true and correct, and that had this matter proceeded to trial, the United States would have proven them beyond a reasonable doubt with admissible and credible evidence:

1. From on or about March 2015, through on or about October 2018, in Alexandria, Virginia, within the Eastern District of Virginia, the Defendant did unlawfully and knowingly receive visual depictions of a minor engaging in sexually explicit conduct using any means and facility of interstate and foreign commerce, and that had been shipped and transported in and affecting interstate and foreign commerce, and which contains materials which have been mailed and so shipped and transported, by any means including by computer; to wit: videos and still images depicting minors engaging in sexually explicit conduct including but not limited to actual and simulated intercourse, masturbation, and the lascivious exhibition of the genitals and pubic area.

2. In particular, on October 25, 2018, a Federal search warrant was executed at the defendant's home in Alexandria, Virginia, within the Eastern District of Virginia. The

government seized several electronic devices from the defendant's residence as a result of the search.

3. One of the devices, a Cooler Master Computer, contained images of child pornography. These images included several images from the "Jenny" series, a known victim of child pornography. The defendant intentionally downloaded these files via the internet knowing that they contained child pornography using Torrent software.

4. The statement of facts includes those facts necessary to support the defendant's guilty plea. It does not include each and every fact known to the defendant or to the government and it is not intended to be a full enumeration of all of the facts surrounding the defendant's case.

5. The actions of the defendant, as recounted above, were in all respects knowing, voluntary, and intentional, and were not committed by mistake, accident or other innocent reason.

6. If the defendant breaches the plea agreement, then pursuant to paragraph 15 of that agreement, he waives any rights under Fed. R. Crim. P. 11(f), Fed. R. Evid. 410, the United States Constitution, and any federal statute or rule in objecting to the admissibility of the Statement of Facts in any such proceeding.
